Introduction
The MacKenzie Art Gallery is reinventing the role of the public art gallery, using art and experiences to shed new light on the world. With a permanent collection that spans 5,000 years and nearly 5,000 works of art, we encompass both the University of Regina's vast collection and one of Canada’s largest collections of Indigenous art, the Kampelmacher Memorial Collection. Through art, education, and immersive programming, we bring fresh perspectives that transform how people experience history, themselves, and each other.

The MacKenzie is located in Wascana Park, Canada’s largest urban park, and rests within Treaty Four territory, the traditional territory of the Cree, Saulteaux, Lakota, Dakota, and Nakota people, and the homeland of the Métis Nation. We are generously supported by the South Saskatchewan Community Foundation, Canada Council for the Arts, SaskCulture, City of Regina, University of Regina, and the Saskatchewan Arts Board.

At the heart of our vision is a multi-disciplinary creative space or “hub” for immersive and interactive experiences. Nestled amid Regina artist Bill Burns’ art installation, *Bird Radio and the Eames Chair Lounge* (see Appendix E for more information), Craft Services is a place to engage the senses, to meet, exchange, discuss and build our communities over food and drink. The MacKenzie is seeking a new vendor to operate a purpose-built café and kitchen, who can operate as a partner towards cultivating a vibrant cultural atmosphere on our premises. We look forward to seeing your creative proposals.

Vendors are expected to keep confidential all documents, data, information, and other materials of the MacKenzie’s which are provided to or obtained or accessed by a vendor in relation to this RFP. Proponents are expected to refrain from making any public announcements or news releases regarding the Services without the prior written approval of the MacKenzie.
Appendix A: Service Requirements

Background & Description of the Project
The MacKenzie Art Gallery's mission is to engage people in transformative experiences of the world through art, and we have developed this mission in conjunction with our four-year strategic plan. With a focus on visitors, artists, Indigenous culture and diversity, we want to participate meaningfully with the public, diversifying our partnerships with community organizations and artists, in order to strengthen our programs, experiences, and our collections.

Opened in the MacKenzie in 2018, Craft Services Café quickly became not only a place for good food and drink but for public and private conversations and events. Thanks to the work of 1080 Architecture, it was recognized with the Premier's Award for Excellence in Interior Design. Excellence in design is also a feature of our new brand identity and website which was launched this past year. Our improvements have further continued with the modernization of our new Welcome Area.

The term “craft services” refers to the catering that is at the centre of a film set’s social scene. The area is the great equalizer. The quality of the spread can make or break the crew’s experience. A good craft services crew is responsible for the physical and mental well-being of the entire set.

Craft Services Café serves a wide variety of clientele, from government employees in the T.C. Douglas building and adjacent government buildings, to facility renters, Gallery visitors, families, and the surrounding neighborhoods of Lakeview and Hillsdale—as the only coffee shop in the area, between Hill Avenue, Kramer Boulevard, and Parliament Avenue—tucked into Wascana Centre, which sees thousands of visitors to the park every year.

We are looking for a professional vendor who can operate our café on a daily basis and carry out full catering services for groups from 20-400, from small meetings to large scale Gala’s and weddings.

Sublease Offerings
The vendor will be a true partner, meeting with the MacKenzie staff on a regular basis to evaluate and propose changes and improvements with a focus on the visitor experience and customer.

Branding
- The Gallery is responsible for the overall branding of Craft Services Café. The successful operator will have full access to a complete Craft Services brand, designed by Regina artist Bill Burns (see Appendix D). This includes several logos, various menu templates, an Instagram account with 1,000+ followers, and illustrations for promotion.
- The Gallery will assist with and deliver a co-branded marketing strategy to be disseminated via the Gallery’s channels (online, website, social media, member communication etc.).
Hours
The café will be open at all times that the Gallery is open to the public. The MacKenzie is typically open seven days a week, however, we have adjusted our hours for the foreseeable future due to COVID-19. Our current hours of operation are as follows:

- Closed Monday & Tuesday
- 10 AM – 5:30 PM Wednesday – Saturday
- 12 – 5:30 PM Sunday
- The Gallery is currently closed on Christmas Day, New Year’s Day, and Good Friday
- Preference will be given to an operator that will provide extended hours in the morning, at minimum from 8 AM onward, seven days a week (at least five to begin with). The above current hours will be the minimum operation hours, with extended hours available pending budget and negotiations.
- The Gallery hosts several events a year which extend into the evening hours and for which the café will be expected to remain open.

Space
Newly renovated café space, winner of the Premier’s Award for Excellence in Interior Design in 2019

- Tables, chairs, and bar stools
- Two state-of-the-art meeting rooms with modular seating to accommodate various events and meetings managed by the MacKenzie.
- An outdoor patio and separate entrance are planned for a future phase of development.

Craft Services Café is provided with the following equipment:

- Upright freezer
- Ice machine
- Convection oven
- Induction range
- Walk-in cooler
- Stainless steel prep table
- Beer taps
- Line cooler
- Cold well
- Dishwasher (lease of which is included in rent)
- Various small wares

- Craft Services can accommodate between 60 (seated) and 350 (standing) patrons.
- Use of space will be limited according to the priorities of the MacKenzie in terms of facility rentals and program events, to be negotiated in a sublease with MacKenzie, with a guaranteed minimum seating area always reserved for café foot traffic and non-program
customers. Some MacKenzie programs may include sound components (artist talks, performances, etc.) that will be audible throughout café spaces.

- Catering opportunities will be available to the café vendor on a non-exclusive competitive basis (receptions, weddings, meetings, etc.).
- Utilities, HVAC, building insurance, will be provided in gross rent, as will general cleaning and maintenance, including washrooms. Cleaning of kitchen area is the responsibility of vendor. The vendor will be required to apply for and pay directly all taxes, fees, charges, rates, duties and the like charged against or in respect of the vendor’s occupancy of the premises (such as building permits, food and beverage permits, cost of inspections, insurance, telephone, and internet, etc.).
- The MacKenzie is a tenant of the Province of Saskatchewan, Ministry of Central Services, and subject to a lease with the Province. The sublease with the café operator is subject to the MacKenzie’s lease and approval by the province and may be subject to conditions.

**Term & Rent**

To be negotiated, the MacKenzie is looking for a partnership commitment of four (4) years.

The vendor will be granted a grace period—to be negotiated—of rent-free occupancy following the Possession Date (such date is referred to as the “Commencement Date”).

Basic rent is the sum of $32,700 per year without any set-off, abatement, or deduction whatsoever, in equal monthly installments of $2,725 payable in advance on the first day of each month of the sublease term.

Percentage rent: 12 months following the Commencement Date of the sublease, the MacKenzie Art Gallery will collect 2.00% of monthly sales in addition to basic rent. Reporting and payment of percentage rent is due on or before the 12th day of each month. A monthly profit and loss statement detailing sales by category for the reporting period is required.

The Subtenant acknowledges the Sublandlord is currently exempted from paying property taxes, levies or similar assessments or grants in lieu thereof in respect of the Leased Premises and is not required to pay or contribute to the cost of utilities used in the Leased premises. The Subtenant agrees that if, during the Sublease term, the Sublandlord becomes liable for the payment of utilities, property taxes, levies or similar assessments or grants in lieu thereof, or other fees, costs or charges in respect of its occupancy of the leased Premises (collectively, “Occupancy Costs”), then the Subtenant will pay its proportionate share of all such Occupancy Costs to the Sublandlord following 90 days’ notice from the Sublandlord to the Subtenant.

  A description of your business's experience in performing similar work, including two (2) references of work performed for other agencies (or other relevant experience) in the previous five (5) years, and appropriate contact information for references.
