Job Title: Communications Coordinator

Department: Development & Communications

Status: Full Time, In Scope CUPE 5791 Position

About the MacKenzie Art Gallery:
The MacKenzie Art Gallery is Saskatchewan’s original and most comprehensive art museum, serving a leadership role in Western Canada. This is a watershed moment in the history of the Gallery, as it is undergoing a multi-phase organizational transformation. Programming primarily contemporary art from the prairies, Canada and abroad, the MacKenzie addresses an encyclopedic range of visual art and culture and is an ally in the research and presentation of Indigenous art. Housed within an over 115,000ft² facility, maintained to Class A Museum standards, the MacKenzie permanent collection spans 5,000 years of art with nearly 5,000 works. The MacKenzie was founded on the collection of its namesake, Norman MacKenzie (1869–1936), who bequeathed his collection to the University of Saskatchewan (Regina College), now the University of Regina.

Opening in 1953 in the first purpose-built art gallery building in western Canada, the MacKenzie enjoys a nationally unique partnership with the University of Regina. After separating in 1990, and moving to its current premises, the MacKenzie now maintains separate board governance, site and an expansive mandate and quarters in the T.C. (Tommy) Douglas Building. The MacKenzie is situated in Treaty Four territory, traditional land of the Cree, Saulteaux and Métis, and home to the Dakota, Nakota and Lakota peoples. The MacKenzie is located on the edge of the 2,300-acre Wascana Centre, the largest urban park in Canada, where nature, culture and education meet. Wascana Centre (1962) was designed by renowned modernist architect Minoru Yamasaki, designer of the original World Trade Center in New York, and is a living artifact of modernist design heritage.
