## REGINA FOLK FESTIVAL STAGE

Once again we've partnered with the Regina Folk Festival to bring a terrific local soundtrack to your Bazaart experience!

**Karley Parovsky | 11:30 AM – 12:30 PM**

Karley Parovsky is a violin/fiddle player, composer, and arranger with roots in classical music. Coming from a classical background and finding passion and inspiration in the fiddle and folks world, Karley's music blends her love for all styles.

**Sunbeams & Daydreams: A workshop with Karley Parovsky and The Alley Dawgs | 12:45 PM – 1:45 PM**

**The Alley Dawgs | 2 PM – 3 PM**

The Alley Dawgs were born in the honky tonk, having cut their teeth working rough & tough crowds all throughout the Saskatchewan dive bar circuit. They can play 20th-century country and western music all night including all the deep cuts, tender ballads, and bone throws you want to hear!

## MAKE ART WITH US!

**Located inside the MacKenzie Art Gallery: BMO Learning Centre**

Celebrate the exhibition *Radical Stitch* and the magic of beads through self-guided, hands-on activities for the entire family in our BMO Learning Centre. For this activity, we focus on beadwork through the work of artist Teri Greeves. Teri Greeves designs and beads historical and contemporary stories on Converse sneakers. Inspired by Teri Greeves, join us to create a mash up of an everyday object and an image to tell a story. Also, explore bead design and pattern through an interactive light station.

## RADICAL STITCH

**ON VIEW UNTIL 28 AUGUST 2022**

**ORGANIZED BY THE MACKENZIE ART GALLERY  
CURATED BY MICHELLE LAVALLEE,  
CATHY MATTES, & SHERRY FARRELL RACETTE**

The most significant exhibition of contemporary Indigenous beading across North America/Turtle Island ever presented.

**PRESENTED BY**  **TD READY COMMITMENT**
