Pop Goes the Prairies:

Étienne Fletcher + Wishbook Workshop

2 PM – 3 PM

Étienne Fletcher

Wishbook is the duo project of partners Steve Leidal (vocals/keyboards) and Zoe Saladana (guitars). With a shared belief of what's best in life (drive-thru food, vintage heavy metal, classic amplifiers, paranormal investigation) and what's best in music (crisp rhythm sections, chorused guitars, and layered synthesizers), they combine to create off-beat nostalgic synth rock that they write, record and mix themselves.

Étienne Fletcher is an influential artist on the Franco-Canadian music scene. His intimate approach takes us in his dynamic and sensible universe. Influenced by various musical currents, Étienne Fletcher proposes a precise and instinctive artistic direction. The result is an assertive, authentic and refreshing pop-rock.
